Enniskillen Royal Grammar School AQE tests 2020

Please find below the allocation of pupil(s) by primary school to the Cooper Crescent and Lough Shore Sites. Pupils should attend their designated site for the Orientation Morning on Saturday 12 December 2020 and for the Test mornings. On the orientation morning and the test mornings we will operate a drive by/drop off and pick up facility on each site to avoid the congregation of pupils and adults in line with PHA and DE guidance. Your son/daughter will be met at the drop off point by staff and senior pupils on their arrival and escorted back to the pick-up point by staff and senior pupils on a staggered basis at the end of the morning. **We would ask that you do not remain on site during the test and that you do not disembark from your vehicle.** Please return at 11 am to collect your son/daughter on the orientation morning and at 11.15 am on the test mornings. **We would be grateful if you could park on return in the designated zones on each site as outlined below.** The specific location of the designated zones will be highlighted in our orientation videos for each site.
