Enniskillen Royal Grammar School

Principal: Miss E. Armstrong BA (Hons) PGCE PQH(NI)

24th March 2021

To Parents/Guardians of pupils in Years 12-14

Dear Parent/Guardian

It has been good to welcome the Year 12-14 pupils back to school this week and to provide them with information on the learning and assessment plans going forward in their individual subjects. We hope this information has been helpful along with the opportunity to articulate with their teachers any queries or concerns they may have. Equally if you have any queries or concerns, please do not hesitate to contact me or any member of the SLT. We are keen to keep the channels of communication open as we work through the Centre Determined Grade process with our pupils.

Our Spring Term ends for pupils on Tuesday 30th March 2021 at 1 pm to allow staff in departments to work on information to be released from CCEA on Monday 29th March with regard to Assessment Resources in preparation for the new term beginning on Monday 12th April 2021. Lunch will be at the earlier time of 12.30 pm before registration at 1 pm. Provision for supervised private study will be available for pupils who do not have transport home until their normal bus at 3.30 pm. Pupils should not leave school at 1 pm unless they are going home directly.

You will be aware from the media that a Lateral Flow testing programme is currently being rolled out for staff in schools, together with pupils in Years 12-14. Today in school we spoke to each of these Year Groups, highlighting the key purpose and procedures of this voluntary programme of lateral flow testing. We also distributed consent forms which we have asked your son/daughter to discuss with you along with the information leaflet attached. If your son/daughter wishes to take part in this voluntary programme with your support, their signed consent form should be returned to a member of SLT on Friday 26th March 2021 in their gathering hub.

It is our intention to begin the distribution of the kits for the twice weekly tests at home at the beginning of the new term in the week beginning 12th April 2021. Further information about the process is available in the consent form given to your son/daughter and the attached leaflet including links to videos outlining the overall process and how to administer the test. If you have any queries about the process or the information attached, please do not hesitate to contact me at school.

Yours sincerely

Elizabeth Armstrong

Principal
