Dear Parents/Guardians

I write to inform you that a member of our Year 10 cohort in school has tested positive for COVID 19.

We have sought the most up to date advice from the Public Health Agency and all relevant staff and pupils in Year 10 have now been contacted individually and advised of the action to be taken in respect of self-isolation and their attendance at school. Remote learning provision will be provided for those pupils who are self-isolating. If your son/daughter is in Year 10 and you have not been contacted today, they should continue to attend school as normal. Pupils in other year groups should also attend as usual.

I appreciate the concerns of parents, pupils and the wider school community on reading this news and wish to reassure you that every precaution has been taken. The safety of our pupils and staff is our priority and we will continue to monitor the situation carefully and keep you informed.

If you have any questions or concerns, please do not hesitate to contact me at school.

Yours faithfully

Elizabeth Armstrong
