

Enniskillen Royal Grammar School – CEISG Bulletin

Week Beginning Monday 6th December 2021

The Social Mobility Foundation (SMF) supports ambitious young people from low income backgrounds to access top universities and careers. They run programmes which are completely free of charge and feature mentoring, internships with top companies, university application support, and professional development and skills workshops for high achieving young people across the UK.

Applications will close on Friday 10th December

Buffield Research Placements are funded by the Buffield Foundation and delivered by STEM Learning. They are engaging, hands-on research projects, where Y11 students can make a real and meaningful contribution towards the work of a host organisation. Student Applications are now open for the 2021-2022 cycle!
