Photographs will be taken at the front of the Cooper Crescent building and on the front terrace at Lough Shore. If weather conditions are poor, they will be in the Cooper Crescent Gym and the Steele Hall, at Lough Shore.

Be on time; if you are not, the photograph will be taken without you.

Wear proper kit; sports' people must have correct shirt, shorts, socks, boots etc.

Be ready for your photograph(s) and get out of class 15 minutes before it is due to be taken to allow time to get changed.

Any pupil who has to travel to the opposite site for a photograph should present themselves in reception of their base site one hour before their photograph is due to be taken (to allow for the vagaries of traffic etc). They will then be bused over and back. LS pupils, who have a CC photograph at or before 10.15am, should go straight to CC for 9am, register at reception and then wait in the Dining Hall.
