KPMG Apprentice Programme 2025
KPMG are delighted to launch the third year of their **Get Set Degree Apprenticeship** for Belfast. This is a unique opportunity for a small number of high performing students that are looking to get into employment after their A Levels and want an alternative to university. The programme will start in September 2025. An I**nsight Event for students and parents** will take place on Wednesday 5 February 2025 when students and parents can come into the office and get a feel for what it is like to work for KPMG, spend time with some of their apprentices and staff and get their questions answered. Students can find out more information and register to attend here. For more information on this apprenticeship visit the following link www.kpmg.ie/getsetapprenticeship

NI Water – Upcoming Work Experience Opportunities

NI Water are excited to announce the launch of their new Work Experience Programme, designed specifically for students aged 15-19. This initiative aims to give young people a deeper understanding of the world of water, while highlighting the diverse career opportunities available at their multi-award-winning organisation. They are doing things a bit different going forward and can no longer accept individual work experience opportunities but they believe their new programme provides an exciting deep dive into the many exciting opportunities available across NI Water. In partnership with '**Speakers for Schools'**, the UK's leading social mobility charity, NIW have three fantastic work experience opportunities coming up –
